

Baby Jams & Signs

TBE SCHOOL'S BABY JAMS AND SIGN LANGUAGE CLASS
INCLUDING THE AWARD WINNING Sign2Me@SIGN LANGUAGE FOR BABIES CURRICULUM!

This class offers the opportunity for parent or caregiver and baby to participate together in a music and sign language class. Research has shown time and time again that babies benefit when early musical and signing experiences are provided. Encouraging your baby's natural fascination with it can strengthen your relationship, boost their language skills, and open the door to all sorts of exploration and fun. Babies who are held, talked to, sung to and exposed to music and stories form stronger neural development. The use of signing allows young children to clearly communicate specific thoughts, thereby reducing frustration for you and your baby.

Our fabulous school director, Mrs. Sheri Myers leads this class. Mrs. Myers has been teaching at Temple Beth-El school since 1992. In college, she majored in both music and interpreting for the deaf. She also received her Master's Degree in Orff Schulwerk, and is a certified Sign2Me instructor and presenter.
